Make a copy of this document and the accompanying schedules for your records.

INSTRUCTIONS

TRAIN OPERATOR INFORMATION REPORT

GENERAL INFORMATION

The Train Operator Information Report allows California train operators to report their purchases of exempt diesel fuel and motor vehicle fuel products for use in this state.

This report includes a supporting receipt schedule (Schedule TO). This receipt schedule is used to report each receipt of undyed diesel fuel, dyed diesel fuel and motor vehicle fuel (gasoline). There can be only one product type reported per page for the period. If additional space is needed, please photocopy the schedule before making any entries.

If you would like additional information on preparing the Train Operator Information Report, please contact us at the State Board of Equalization, Fuel Taxes Division at 916-322-9669.

To obtain the latest information on any product codes or if you need help completing this form, please call us at 916-322-9669 or visit the Board's website at: <http://www.boe.ca.gov/sptaxprog/spftdmfuels.htm>.

FILING REQUIREMENTS

Every train operator is required to report the total number of gallons of undyed diesel fuel, dyed diesel fuel and motor vehicle fuel purchased tax exempt for use in this state. Receipt Schedule (Schedule TO), which details all of your ex-tax purchases of reportable fuel must also be completed. The Train Operator Information Report and Schedule TO must be filed with the Board on or before the last day of the calendar month following the quarterly period shown on the face of the report. No remittance is due with this report.

Preparation of Schedule TO

A receipt schedule must be included with every Train Operator Information Report. Report one product code per page for the period. (Photocopy additional pages as required to report only one product code per page.) As mentioned above, a complete listing of all product codes can be viewed at the following website location: <http://www.boe.ca.gov/sptaxprog/spftdmfuels.htm>. For each Schedule TO, complete the information in box (c) in the header of the schedule. Boxes (a) Company Name, (b) Account Number and (d) Month/Year will be completed for you.

Schedule TO - Train Operator Receipt Schedule

Use Schedule TO to report all receipts of undyed diesel fuel, dyed diesel fuel and motor vehicle fuel that were purchased for use in this state as a train operator.

- | | |
|------------------|---|
| Column 1 | Enter the name of the carrier that transported the product. |
| Column 2 | Enter the carrier's FEIN (Federal Employer Identification Number). |
| Column 3 | Enter the mode of transportation from the mode codes list. |
| Column 4 | Enter the point of origin/point of destination (enter the IRS terminal control number (TCN). If the product is not received from a terminal, enter the two-character U.S. Postal Service abbreviation for the state of origin. Obtain from the Postal Abbreviations list available on our website). |
| Column 5 | Enter the seller's name. |
| Column 6 | Enter the seller's FEIN. |
| Column 7 | Enter the date from the bill-of-lading, shipping document or manifest (enter as mm/dd/yy). |
| Column 8 | Enter the identifying number from the document provided that reflects the details of this transaction. This could be a bill-of-lading, shipping document or manifest. Both the train operator and the terminal operator must report the same document number to the Board. |
| Column 9 | Enter the net gallons for the transaction. |
| Column 10 | Enter the gross gallons for the transaction. |
| Column 11 | Enter the billed gallons for the transaction. |

PREPARATION OF THE REPORT

- Line 1.** Enter the total gallons of ex-tax undyed diesel fuel purchased from Schedule TO. This total will include all of the page totals for any undyed diesel fuel product code types.
- Line 2.** Enter the total gallons of dyed diesel fuel purchased from Schedule TO. This total will include all of the page totals for any dyed diesel fuel product code types.
- Line 3.** Enter the total gallons of ex-tax motor vehicle fuel purchased from Schedule TO.
